I am taking my terminal vacation during the month of August. If all your recommendations are followed by the Mayor, Council, Board of Education + Police Dept. and if the proposals of your ~~[illegible]~~ Memo of July 24th are adjusted by Sept 3, 1943, I shall then consider your kind offer to return for a short interim period. to help you recruit professionals for the Commission staff.

If all of these conditions are not met by September 3, 1963, I am sorry, but my resignation as of August 31, 1963 will have to hold.

I thank you all most sincerely for everything you have done to make ~~[illegible]~~ the Newark H.R.C. an effective agency in the reduction of prejudice and discrimination in our City.
